

APPROVED  
by Decision of the Audiovisual Council  
of the Republic of Moldova  
No. 205 of July 14, 2023

**REGULATIONS  
on Organization of Tender for Selection of Institution Specialized in Measurement  
of Audience Shares and Market Shares for Period from 2024 to 2029**

**I. General provisions**

**1.** The Regulations on Organization of Tender for Selection of Institution Specialized in Measurement of Audience Shares and Market Shares for the Period from 2024 to 2029 (*hereinafter – Regulations*) lay down the manner of establishment, the attributions and operation of the Tender Committee, the way of organizing and conducting the tender, as well as the conditions for participation.

**2.** For the purposes of these Regulations, the following terms shall have the following meanings:

*electronic device* – specialized equipment that is installed in a TV set, measures the audience and has a special remote control;

*TV audience* – presence of a viewer in the room with the TV on and with the intention of watching;

*beneficiary* – a legal person to whom TV audience and market share measurement services are provided under contract;

*terms of reference* – documentation prepared by Tender Committee, part of tender documentation, detailing the minimum mandatory technical requirements for each bidder, defined by the characteristics demanded and the requirements towards the audit procedure;

*timetable of activities* – document organizing the activities related to tender procedure;

*qualification requirements* – set of minimum mandatory criteria and characteristics for the qualification of economic operators in the tender procedure;

*tender committee* – collegial body responsible for initiating and conducting the tender for the selection of the institution specialized in measuring audience shares and market shares;

*award criteria* – criteria based on which the winning bid is determined;

*advertising distributor* – person who distributes advertising to an advertising broadcaster on behalf of an advertising provider;

*tender documentation* – documentation containing all information related to the process of designation of the winning bid;

*provider of measurement results* – bidder whose bid has been selected as the winner following the tender and who will sign contracts for the provision of audience share and market share measurement services with the beneficiaries;

*call for proposals* – information to be sent by Tender Committee directly to specialized institution and containing information, technical characteristics and those relating to the quality of the services required, manner of preparation of bids, manner, place and deadline for submission of bids, bid validity period, qualification requirements for bidders, bid evaluation criteria;

*direct negotiation* – procedure whereby the Tender Committee negotiates the contract terms for the award of the right to measure TV audience shares and market shares;

*bid* – legal act by which the specialized institution expresses its willingness to enter into a legal contract for the provision of audience shares measurement services. The bid comprises a technical proposal and a financial proposal;

*bidder* – institution specialized in measuring audience shares and market shares that has submitted its bid to the tender;

*metric panel* – all households provided with electronic devices;

**3.** The selection of the provider of measurement results is carried out under conditions of fair competition, prevention of fraud and corruption, impartiality and objectivity, transparency and publicity.

## **II. Manner of Establishment, Attributions and Operation of Tender Committee**

**4.** The composition of Tender Committee represents the main categories of beneficiaries of the current system of audience and market share measurement.

**5.** The Tender Committee will be composed of 9 members and 2 member-observers.

**6.** The candidacies of 6 members of the Tender Committee are submitted by the linear audiovisual media services providers under the jurisdiction of the Republic of Moldova, that are beneficiaries of the current audience and market shares measurement system.

**7.** The candidacies of the Tender Committee members, provided for in point 6, are presented under the conditions and the terms stipulated in the decision of the Audiovisual Council regarding the selection of members of the Tender Committee.

**8.** The candidacies of 3 Tender Committee members are submitted by the advertising distributors, that are beneficiaries of the current audience and market share measurement system.

**9.** The candidacies of the Tender Committee members, provided for in point 8, are presented under the conditions and terms stipulated in the decision of the Audiovisual Council regarding the selection of Tender Committee members.

**10.** The Audiovisual Council appoints, as Tender Committee voting members:

1) six candidates that were unanimously proposed by all linear audiovisual media services providers under the jurisdiction of the Republic of Moldova, that are beneficiaries of the current audience and market share measurement system;

2) three candidates who have been unanimously proposed by all advertising distributors that are beneficiaries of the current audience and market share measurement system.

**11.** If, as a result of the procedure established in points 6-10, the Audiovisual Council finds it impossible to appoint the members of the Tender Committee, these will be appointed from the linear audiovisual media service providers under the jurisdiction of the Republic of Moldova as they rank in the first 6 positions according to the audience results (according to the results of the specialized institution in audience shares and market shares measurement) for the period of the Quarter 1, year 2023, and respectively, on behalf of advertising distributors that are beneficiaries of the results of the measurement system of audiences and market shares, and are in top 3 positions by inventory volume (wGRP) purchased for the period of the Quarter 1, year 2023.

In the case of the candidate's refusal to be appointed as a member of the Tender Committee, the Audiovisual Council will appoint, within 5 working days, a new candidate from the appropriate category of beneficiaries - audiovisual media service providers or advertising distributors, according to the criteria established in this point.

**12.** Through the decision to designate the nominal composition of the Tender Committee, the Audiovisual Council will appoint 2 observer-members among the members of the Audiovisual Council and/or from the staff of the Audiovisual Council in the Tender Committee. The observer-members of the Tender Committee do not have voting rights, being entitled to monitor the activity of the Tender Committee.

**13.** The first meeting of the Tender Committee is convened at the initiative of the observer-members and is chaired by the oldest observer-member, until the president of the Tender Committee is appointed. At the first meeting, among the members of the Tender Committee, the president and the secretary of the Tender Committee are elected with a simple majority of votes.

**14.** The Tender Committee carries out its activity in meetings convened at the initiative of the president of the Tender Committee or the secretary of the Tender Committee. Meetings are convened whenever necessary and can also take place online.

**15.** Meetings of the Tender Committee are deliberative if at least 6 members with voting rights take part.

**16.** The Tender Committee adopts decisions by open vote, with the vote of at least 5 members. The decisions of the Tender Committee are recorded in minutes, signed by all members with the right to vote present at the meeting. In case of a member's refusal to sign the draft decision and/or the minutes, this fact is recorded in the minutes of the meeting, indicating the reason for the refusal.

**17.** In performing their duties, the members of the Tender Committee shall be autonomous, impartial and subject only to the law. It is forbidden to exert any influence in order to induce the members of the Tender Committee to perform their duties contrary to the provisions of these Regulations.

**18.** The Tender Committee shall have the following duties:
